

Bill of Sale Following Public Sale

On January 22, 2007, at Burbank California, Credit Managers Association of California, a California Corporation, doing business as CMA Business Credit Services ("CMA"), assignee of American Staffing LLC, a Nevada limited liability company, American Indo Staffing, LLC, a Nevada limited liability company, American Asian Staffing, LLC, a Nevada limited liability company, and Mena Staffing, LLC, a Nevada limited liability company (collectively "American Staffing"), pursuant to Notice validly received more than ten (10) days prior, sold to American Staffing's perfected secured creditor R.G.C., Inc., a Nevada corporation ("RGC") all "Contract Rights," "Accounts," "Money," "Deposit Accounts," "Financial Assets" and "General Intangibles" arising under that Nurse Agency Agreement made and entered into as of the 12th day of May, 2003 between American Staffing and HealthOne Staffing, LLC ("HealthOne"), and free and clear of any liabilities related thereto.

The purchase price for such sale was \$ 500,000, which CMA agrees reduces the valid and existing debt of American Staffing LLC to RGC by that same amount, subject to the remaining subordination by RGC in favor of CMA and its professionals. A schedule showing the American Staffing LLC debt to RGC is attached hereto as Exhibit A. The sale is authenticated, and the consideration by the credit bid in this Bill of Sale is acknowledged as received.
